Corporate Membership Plan from Moundsville Rotary

Corporate Member Program

01/01/2017

Join the Club!

We're looking for a few good leaders! If you're a leader in your profession and your community, please consider joining us in continued "service above self." Join other professionals from high quality organizations who are making a difference in our community. Our members are senior leaders at area organizations, some are entrepreneurs and business owners, and many are on their way to leadership positions and looking for additional ways to contribute.

Purpose:

Feedback from numerous Rotary surveys and focus groups has repeatedly shown that prospective members and current younger Rotarians require flexibility in their Rotary Club membership. The Corporate Membership Program will allow a corporation or establishment in the club's area to become a member of the Rotary club through an established membership approval process, and to appoint up to four (one primary and up to three Designees) as the individuals attending club meetings, serving on projects, voting on club matters, serving as club o□cers, on club committees, and so on.

Who Qualifies?

Community-conscious corporations and organizations operating in a worthy and recognized business or profession are qualified to become members. Both the organizations and the individuals who may become members must be of good character and business reputation. This membership differs in several ways from a standard individual Rotary membership: The standard annual individual membership cost of $492 (Billed $123/quarter) is the same for the Primary Corporate member (see section 8 below for details).Where it differs is, the full standard membership cost is reduced for all additional corporate Designees; they are only required to pay $108 per year (Billed $27/quarter). The Designees then only need pay for lunches (currently $8) when they attend. This gives businesses great flexibility to have Designees attend as often or as little is necessary while still maintaining all of the benefits of full rotary membership. In addition, the membership always stays with your organization. If either the Primary or Designee member changes jobs, quits, or retires you simply replace them with the new individuals.

General Considerations:

1. Approval: A corporate entity or organization (establishment, institution or any formally organized entity – hereafter known as Corporate Entity) may become an eligible corporate member of the Rotary club by having a Primary Corporate Member as a regular club member. A Primary Corporate Member is a member of the Eligible Corporation's management or ownership group.

2. Designees: Once there is a Primary Corporate Member, the entity may designate up to three Corporate Designees.

3. Changing Designees: The Corporate Entity may change any of its Designees so long as at all times one of them is a Primary Corporate Member.

4. Inductions: A Corporate Member Designee will be formally inducted into the club as is done for any other regular member.

5. RI registration: Each Designee will be listed as an o□cial member of the Rotary club and will be noted in the roster that they are Designees of the named Eligible Corporation.

6. Votes and quorum: For the purpose of general meetings and club matters, Designee voting will be the same as any other regular member. As o□cial members of the Rotary club, members would apply toward RI election voting.

7. Holding o□ce: All Designees are eligible to serve on Club Committees and on the Board. Only the Primary Corporate Member is eligible to serve as a Club O□cer. Other Designees are encouraged to pursue a personal membership if they desire to serve as a Club O□cer.

8. Financial obligations: The financial obligations of an Eligible Corporation shall be as follows (subject to the By-Laws and Constitution of the Rotary Club):
   a. Each Primary Corporate Member will pay the club dues of ($123.00) per quarter (or the current rate as set forth in the By-Laws) which covers:
      1) District dues;
      2) Club meals;
      3) RI dues;
      4) The Rotarian Magazine;
      5) Miscellaneous RI charges
   b. Each Designee will pay club dues of ($27.00) per quarter which covers:
      1) District dues;
      2) RI dues;
      3) The Rotarian Magazine;
      4) Miscellaneous RI charges.
   c. Meal/beverage costs: The Primary Corporate Member will pay for every lunch, as a regular club member (see 8. b. above). If the Primary Corporate Member is in attendance at a given meeting, each Designee who also attends will pay for their meal (by cash, check or club billing); said meal charge will be assessed at the current rate of a R-85 member (currently $8 per meal). If the Primary Corporate Member is not in attendance at a given meeting, one Designee will use the meal allocated to the Primary Member.
   d. Conversion from Designee of Eligible Corporation to individual membership while no longer employed by Eligible Corporation: This will be the same except all lunches will be billed as for regular members.
   e. Club bills will be addressed to the Corporate Member and shall be the responsibility of the Corporate Member and not the responsibility of the Designees.

9. Conversion: A Designee of the Eligible Corporation, while still an employee of the Eligible Corporation, may convert to an individual membership by requesting a change of status and subsequent approval by the Board of Directors.

10. Bulletin and communication: Each Designee will receive the club's weekly bulletin/ newsletter and regular club communications the same as any other regular club member.

11. Receipt of The Rotarian or Rotary regional magazine: Each Designee will receive the RI magazine the same as any other regular club member.

12. Public liability coverage: The Corporate Member Designees will be included under the respective club liability insurance while participating in any approved club activities or projects.

13. Participation in youth activities: The Corporate Member Designees are expected to abide by all restrictions, policies, and procedures with respect to club activities involving youth.

14. Termination: The process for terminating the membership of a Designee or the Eligible Corporation is the same as any other regular club member.

18 Rotary International Foundation: All Corporate Members are encouraged to give to the Foundation in their own names.
